NOT SIGNIFICANT

SUMMARY OF AMENDMENT (004159): Deletes and rewrites all language after the enacting clause such that the only substantive change is to require members to complete training within one year.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Pursuant to the language of this legislation, the requirement for a community oversight board member to complete the local law enforcement agency's citizen police academy within the specified timeframe does not apply to members whose local law enforcement agency does not provide a citizen police academy course.
- Community oversight board members will comply with this requirement; any impact on community oversight boards' operations will be not significant.
- There will not be a significant impact to local government expenditures as a result of this legislation.
